

**INSTRUCTIONS
FOR PRINTING**

1. Click on 'Print'.
2. Make sure 'Page Scaling' is turned OFF.
3. Make sure 'Auto-Rotate and Center' is turned OFF.
4. Click 'OK' to print the template.
5. Using a ruler or measuring tape, make sure that the ruler on the template matches up.
6. Cut out the shoe patterns. Tape the two pieces together so that the lines meet up correctly.
7. Place your foot on the paper and make sure that your foot does not cover the lines.
8. Flip over the foot pattern to measure your other foot.
