

**Instructions for Printing**

1. Click on 'Print'
2. Make sure 'Page Scaling' is turned **Off**
3. Make sure 'Auto-Rotate and Center' is turned **Off**
4. Click on 'OK'
5. For unscaled printing, we have included a ruler below as a guide. Please check the printed ruler to ensure that it is to scale.
6. Cut out the shoe patterns. Tape the two pieces so the lines meet up correctly.
7. Place your foot on the paper and make sure that your foot does not cover the line.
8. Flip over the foot pattern to measure-up the other foot.
